

Meet the Governors at Berkeley Primary School...

John Veall

Hi, I've been a governor at Berkeley for over 30 years and Chair of Governors for over 15. I've been a gas service engineer for almost 50 years, 30 of them self-employed. I love holidays, caravanning and classic cars, we have 3 children and 8 grandchildren, most have been through or are still at Berkeley Primary. I'm also a governor at Outwood Foxhills.

Jocelyn Cole

I've been a Governor since 2017 when my daughter started Reception and I've been Vice-Chair for the last few years. I actually attended Berkeley and my Mum was a teacher in the Juniors, so I have some lovely memories from the school. We're a musical family and often found singing together round the piano! I am a Chartered Mechanical Engineer which gives me a passion for STEAM subjects. My day job is being General Manager of a design and manufacturing company specialising in manual handling equipment.

Leanne Dixon

Hi. I'm Leanne. My daughter currently attends Berkeley Primary School.

We are a family of four including our Spaniel, Teddy who loves runs at the paddock with our daughter in tow. We also enjoy family days out at the Zoo.

I currently work at British Steel within the Human Resources team. Prior to that, I worked in student recruitment and marketing for the local University Technology College.

Junaid Aslam

Hi, my name is Junaid and I am a new co-opted governor. I live with my wife Javeria and I have 3 children, 1 is currently at Berkeley. I enjoy spending time with my family.

I am an Accountant by profession and have worked in numerous fields including education, manufacturing, banking and insurance.

Scott Thomas

I am Scott Thomas, Deputy Headteacher and History teacher at Outwood Academy Foxhills. Outside of making sure Foxhills and Berkeley are the best they can be, or out exploring history, I love to read, garden, cook and bake. It is wonderful to experiment with flavours and new ingredients! I live in North Lincolnshire with my wife Bethany.

Iain Dalglish

I've worked at Berkeley for lots years as a class teacher and am also the subject lead for computing. I've been the staff governor for the last few years and have enjoyed getting more involved in the life of the school. Outside of work, I enjoy going to new places, taking photos and completing escape rooms! I also enjoy starting DIY jobs around the house and garden and keeping myself busy.

Amy Marsh

My name is Amy Marsh and I am a teacher and governor at Berkeley Primary. I am very proud to have worked at such a wonderful school for over 15 years. When I am not busy working, I love to bake, sew, travel and spend time with my friends and family. This is especially the case at the minute as I love being mum to my lovely daughter, Rosa.

Anna Cvijetic

I am Anna Cvijetic. I am the Headteacher and therefore a Governor at Berkeley Primary School. I love my job and I am very proud of all that we do at Berkeley Primary. When I am not in school I love spending time with my family and friends, walking, crafting, reading, travelling to new places and cuddling my cats.

Wendy Howlett

I am Wendy Howlett . I am the Deputy Headteacher and a Governor at Berkeley Primary School. I have been at Berkeley for over 15 years and love working here. When I am not in school, I enjoy spending time with my family and friends, my two cats Willow and Blossom, watching motor racing and visiting new places both in Britain and abroad.
