Cross country/fun run

The Autumn term has always been the home of our annual cross country competition. However, this year we have done things a little differently. Although the event in KS2 still had a competitive edge (the children still wanted to know their finishing positions), the fun run element allowed the children to wear an outfit of their choosing and this did not disappoint. We had some fabulous costumes and we hope that made the event fun and engaging for all.

It's not everyday that you get chased around a field by an alien and an Enderman.

Our winners

Y3/4 Girls - Wiktorja

Y3/4 Boys - Theo

Y5/6 Girls - Evie

Y5/6 Boys - Rex

Cross country Championships

at Brumby Hall

On the 9th October, our school competed in the Cross Country Championships, led by the Get Ahead Partnership, at Brumby Hall. 40 children represented the school with 10 racing in each category. 3/4 Boys, 3/4 girls, 5/6 boys and 5/6 girls. As always the children wore the colours with pride whilst competing against a strong field of runners from multiple different schools in the area.

An extra special mention to our Y3/4 Girls team who finished in 3rd place overall and also our Y5/6 Boys team who finished 2nd overall.

A final additional shout out to Rex who finished 3rd overall in his race.

A fabulous effort from all involved.

Girls Football

On Monday 10th November our girls team travelled to the home of Bottesford Town Football club to compete in the Girls Football Cup hosted by SUFC. Over the course of the morning, the team played a total of 7 games, winning 3, drawing 2 and losing 2. Plenty of goals were shared out amongst the players and as always the children represented the school with pride. Great work girls.

Panathlon – 10 Pin Bowling

On December 1st we competed in a Panathlon event at Scunthorpe Bowl. The children really enjoyed the event and were very excited throughout. Everyone took part and they were delighted to receive a medal. It was a pleasure to see how happy the children were,

especially as some of them had never been bowling before. It was great to see one of our students receive a certificate for scoring over 100 points and for joining the Panathlon Club.
