School of Sanctuary Newsletter: Summer 2025

Everyone is welcome here!

At Berkeley Primary School we aim to be a safe, welcoming and inclusive community for all.

We are very proud to have been awarded School of Sanctuary status! We are only the second school in Scunthorpe to have achieved this prestigious award.

We now hope to work with other schools in our community, sharing what we have learned and encouraging them on their journey.

A School of Sanctuary is committed to being a safe and welcoming place for all, including those seeking sanctuary. It helps its children, staff and wider community understand what it means to be seeking sanctuary and to extend a welcome to everyone as equal, valued members of our community.

Our super Language Buddies and some of our Year 6 ambassadors did a fantastic job on our Assessment Day. They spoke clearly and passionately about their roles and really impressed our visitors. We shared examples of children's work and shared some of our resources.

Our Presentation Assembly

Our Year 6 ambassadors were presented with our certificates during a special assembly.

The children all represented Berkeley Primary School wonderfully. We are very proud of them all. We now have the certificate displayed in the front entrance.

In the assembly, which the children wrote themselves, they spoke about why being a School of Sanctuary is important to them.

We are looking forward to celebrating Refugee Week again on 16th—20th June. This year's theme is 'Community as a Superpower', and we are looking forward to exploring ways to learn, play and share food in ways that bring our community together. Please look out for our newsletter where we will share our plans, including the children enjoying a picnic together and non-uniform day.
