25th February 2026

Dear Parents and Carers,

We are writing to inform you that on **Wednesday 11th March 2026**, the Year 5 girls will be visiting The Baths Hall to attend an exhibition called *Women into Manufacturing and Engineering (WIME)*.

The purpose of this exhibition is to encourage and inspire young women to consider careers in engineering and related industries. The event will provide the girls with the opportunity to learn more about the wide range of roles available within manufacturing and engineering, and to meet professionals working within these fields.

On the day of the visit, the girls will have an early lunch at school before we walk to The Baths Hall. We will be setting off at approximately 12:00pm and will return to school before the end of the school day.

The children will be supervised at all times by school staff. As we will be walking, please ensure your child wears suitable footwear and brings a coat appropriate for the weather.

If you have any questions, please do not hesitate to contact us.

Yours sincerely

Mrs Bielby & Mr Newsome
